

Kids Roll into Action
Read Aloud Lesson based on the book
***Keesha's Bright Idea* by Eleanor May**

Read or listen to *Keesha's Bright Ideas* and then answer the following questions. Check out YOUTUBE for a recording of the book

Questions:

1. What were some of Keesha's ideas for saving energy?
2. Why didn't her brother want to cooperate early on in the story?
3. What made him change his mind?
4. What did Keesha do to help her brother understand how we use energy?
5. Did Keesha influence your ideas about energy? Be prepared to support your answer.
